THE COMPANY

Palrom Products SRL has a modern sawing mill with a large drying capacity and a well-equipped planing shop. Furniture components and products for the carpentry and food industries are sawn, dried, cut to size, and planed to specific customer wishes. The wide Do-It-Yourself range, including dowels, sticks, mouldings and profiles, can be provided with EAN code labels and packed in accordance with the wishes of our customers. We also have an office and storage facilities in the Netherlands, under the name **Van Soest International**.

Quality and reliability of delivery are guaranteed by skilled personnel, modern machinery and management. **Palrom Products SRL** makes it possible for you to purchase semi-manufactures and end-products directly from the source. Out of respect for this source and the environment in general, we process beechwood with the FSC® certificate from our immediate surroundings.

With solid clients in **Romania, The Netherlands, Germany, Austria, France, and Poland** we are a reliable and serious partner doing what we promise to our clients.
